All,

Thank you so much for your review and edits of the latest ND draft. It's all cleaned up except for one comment bubble I left for Kathryn. I think it would then be good for anyone in this group who is around next week and has time to please give it one more read through (particularly Joe B). Betsy and Sara are both out tomorrow and next week, so I'll plan to send it to them first thing on 7/11 (Mario is out that day), asking them to review by COB that day so we can then hand the pen to R8 for signature.

Thank you!  
-Erica

Thank you Mario! I tried to capture the edits we discussed today, but I tagged several of you in various places to help refine my edits. If folks can try to review by midday tomorrow 6/30, we can aim to get closure by COB before Tom goes on vacation. There may be a couple of trailing things for Joe to review when he is back next week, but those are technical rather than legal so I think okay to trail.

Thank you all,  
Erica

## Sengco, Mario shared a file with you

I'm making sure folks have access to this version of the ND action letter that we (OST) shared with Sara and Betsy for their review. For next steps, we'll take until tomorrow afternoon (6/30) to make the edits we discussed today. We will then give Sara and Betsy until COB Monday 7/11 to review. Then R8 will take it from there and get it to Darcy and move for signature by 7/15. Let's plan on making this the most current version of the letter.
